PROFESSIONAL EXPERIENCE

PT GLOBAL DIGITAL NIAGA (BLIBLI.COM)   **Jakarta, Indonesia**
Associate Mobile Development Engineer - iOS   **OCTOBER 2022 - JUNE 2023**
- Collaborated with a cross-functional team of 20+ professionals in the Seller Mobile team at Blibli.com to ideate, develop, and deliver new features and bug fixes for the Blibli Seller Center app.
- Took ownership as the Principal Investigator (PIC) for multiple features, leading efforts to monitor and enhance existing functionalities within the app, ensuring optimal performance and user experience.

iOS Developer Intern   **APRIL 2022 - OCTOBER 2022**
- Collaborated with a cross-functional team of 15+ professionals in the Seller Mobile team at Blibli.com as an intern. Contributed to the development and implementation of new features and bug fixes in the Blibli Seller Center app.
- Successfully delivered key features, including In-App Account Deletion, Return Summary, and enhancements to the App's session update mechanism. These additions improved user experience and streamlined important functionalities within the app.

APPLE DEVELOPER ACADEMY   **Surabaya, Indonesia**
iOS Developer   **FEBRUARY 2021 - DECEMBER 2021**
- Selected as one of only 100 participants out of a highly competitive pool of 5000+ applicants for the prestigious Apple Developer Academy @UC - 2021 cohort. This specialized program focused on iOS Development.
- Acquired comprehensive knowledge in iOS app development, including the utilization of various frameworks and design patterns, adherence to Apple's Human Interface Guidelines, and the development of professional skills such as public speaking and pitching.
- Demonstrated proficiency in app development by successfully designing and developing multiple applications.

SEVEN7H EDU COURSE   **Surabaya, Indonesia**
Web Developer   **JANUARY 2020 - DECEMBER 2021**
- Designed, developed, and currently maintain a CMS website called "HeySeven7h," which serves as a valuable tool for tutors in managing trial exams and student attendance. The website streamlines administrative tasks, facilitating efficient tutoring processes.
- Actively participated in IT-related ideation sessions, offering valuable insights and suggestions to enhance the Seven7h Edu Course from a technological standpoint. Contributed to improving the integration of technology into the course curriculum.
